

## Langkah-langkah menginstall astah UML

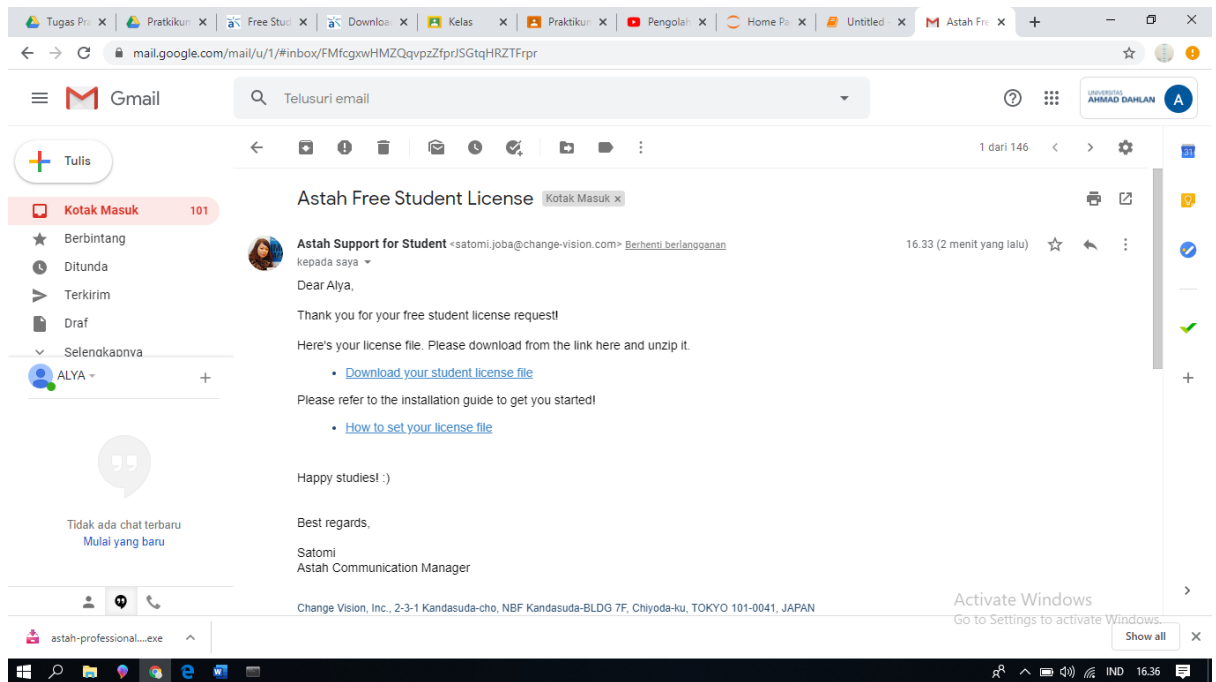

1. Membuat lisensi student Astah terlebih dahulu dengan membuka situs
2. Mengisi dan melengkapi form email, nama depan, dan nama belakang

The screenshot shows a web browser window with the URL [astah.net/products/free-student-license/](http://astah.net/products/free-student-license/). The page features the Astah logo and navigation links: About, Who We Serve, Products, Pricing, Support, and Downloads. The main heading is "Free Student License Options". Below this, a paragraph states: "Students who have an academic email address are eligible to receive a **FREE license** for Astah UML. This is for a single student's personal use only. Instructors and teachers should purchase an [academic license](#)." A red warning message follows: "We no longer accept any applications with attachment files. Unfortunately, this change had to be made due to a high number of dishonest applications. Please ask your teacher to [purchase a site-wide license](#)." A blue "Apply Now" button is visible. To the right, there is a form with three input fields: "Academic Email Address\*" (containing "alya1700018236@webmail.uad.ac.id"), "First name\*" (containing "Alya"), and "Last name\*" (containing "Masitha"). Below the form, a small text block reads: "By completing this form, you agree that you've read and agree to the Privacy Policy and consent to having Change Vision, Inc collect and store your information." At the bottom right, there is an "Activate Windows" watermark.

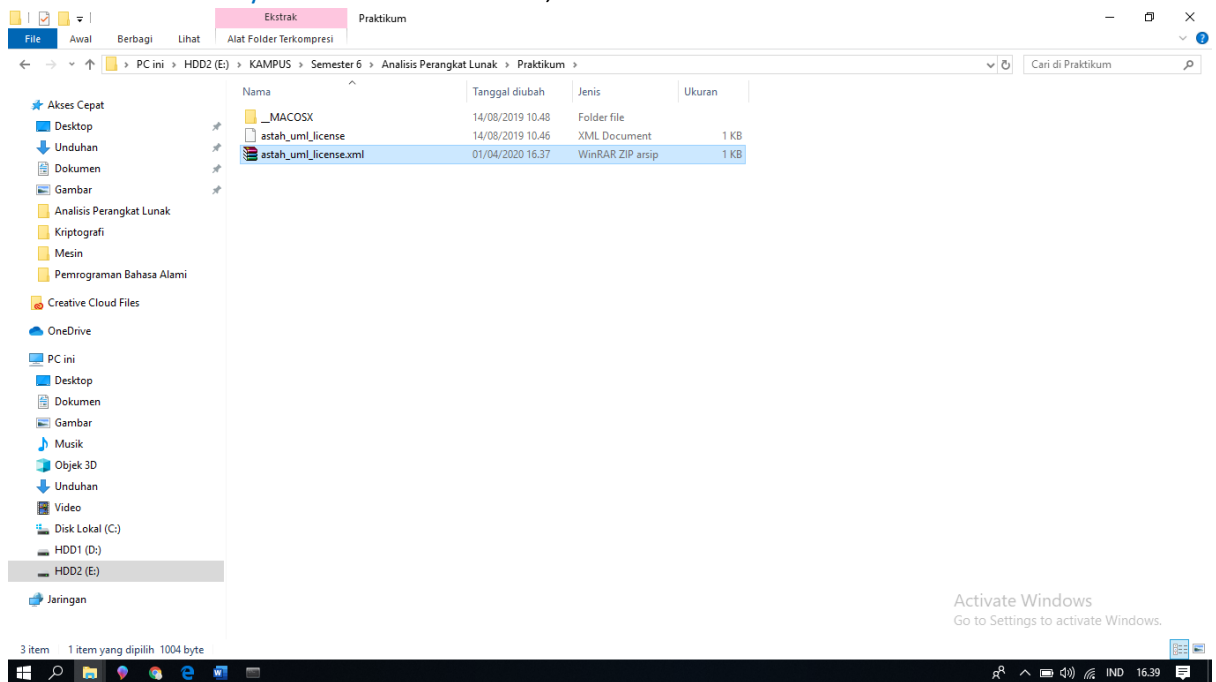

3. Setelah mengisi kelengkapan form maka klik "Apply Now", maka akan muncul tampilan seperti ini :

This screenshot shows the same web page as the previous one, but after the form has been submitted. The "Apply Now" button is no longer visible. Instead, a message "Thank you for your submission." appears at the bottom right of the form area. The rest of the page content, including the Astah logo, navigation links, and the "Free Student License Options" heading, remains the same. The "Activate Windows" watermark is also present at the bottom right.

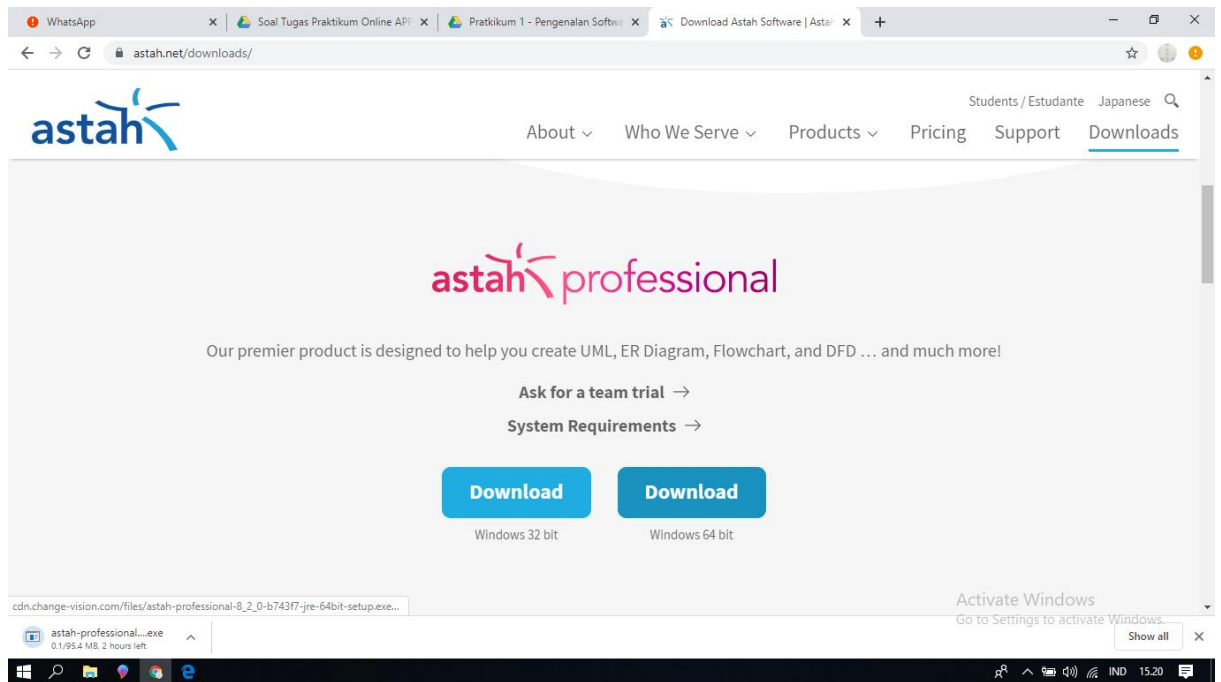

4. Setelah beberapa saat, anda akan mendapatkan notifikasi pada email seperti ini :

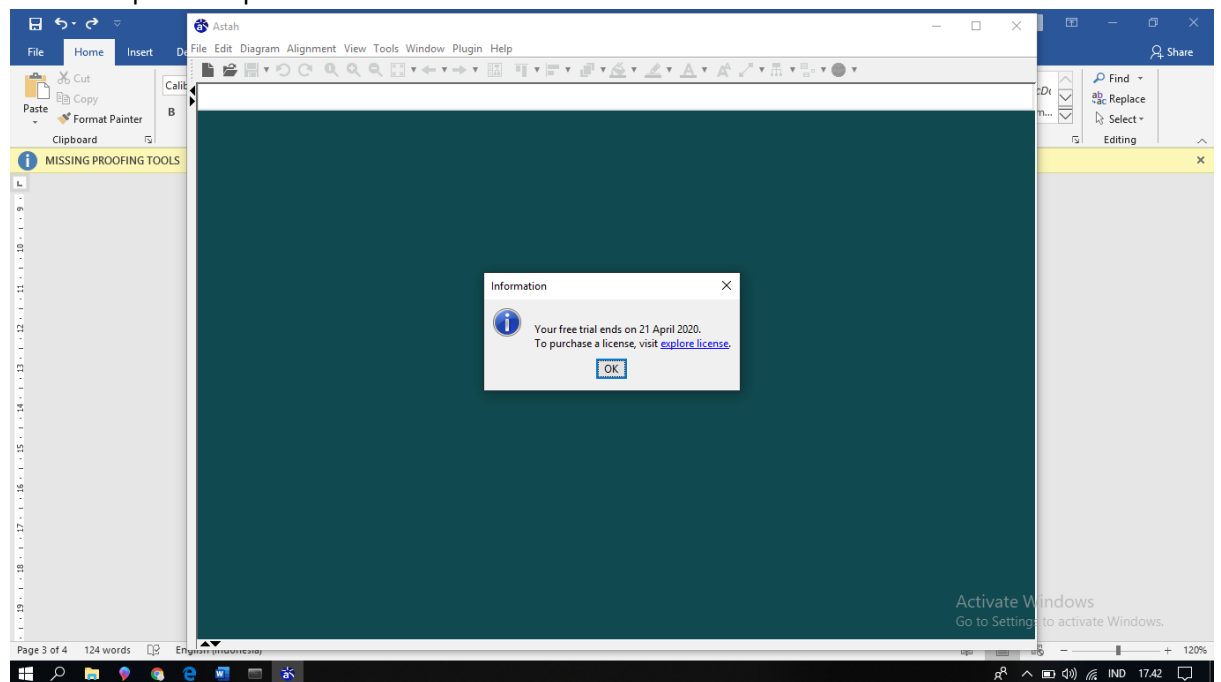

Lalu klik “download your student license file”, dan ekstrak lah file tersebut.

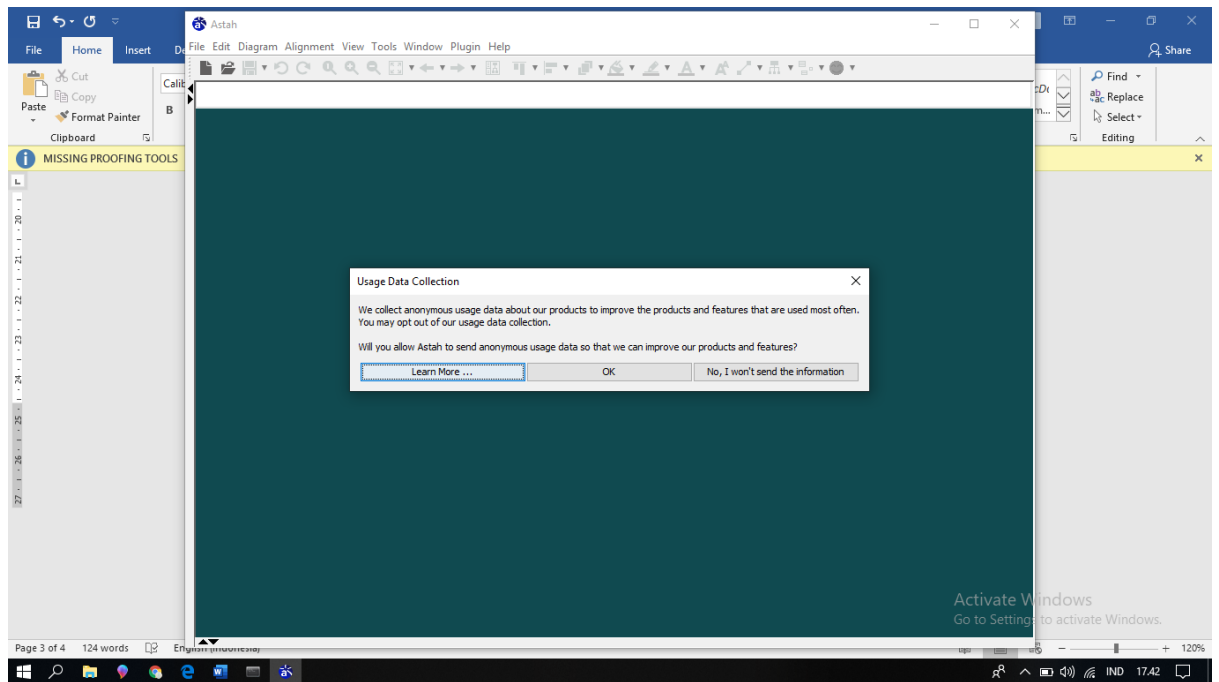

5. Downloadlah aplikasi Astah UML dengan menggunakan link yang di berikan pada email anda “How to set your license file”.
6. Download astah UML

7. Setelah mendownload astah UML, kita mulai melakukan instalasi astah UML. Dan akan muncul seperti tampilan ini :

8. Kita mulai memasukkan license yang telah di download dengan cara klik help-license-set license key (astah\_uml\_license.xml)
